

PEGASUS FULFILLMENT

CREATING AMAZING EXPERIENCES FOR YOUR CUSTOMERS

TRADITIONAL FULFILLMENT COMPANIES ARE A THING OF THE PAST

Pegasus goes beyond standard order fulfillment and warehousing by enabling clients to deliver unique and personalized experiences for each of their customers with same-day shipping, worldwide. We create consistent, reliable logistics solutions that free you to go focus on growing your business.

PEGASUS BRINGS ORDER TO THE CHAOS OF LOGISTICS

Pegasus is built to scale with your rapidly growing business. With over one million same day orders delivered last year out of our new climate controlled facility we have a proven track record of consistency.

Our solutions are custom tailored to client's specific needs and delivered at the industries very highest standard of quality.
